Timeline and Urgency:

Description of situation:

How would the grant funds be utilized?

At KWPP, we're a family.

And family takes care of each other. Our Associates and their immediate family members are eligible to apply for grants from KWPP Cares when facing financial hardship due to a sudden emergency, such as accidents, house fires, medical emergencies, funeral and burial expenses, or natural disaster relief.

To be eligible to apply for a grant, Associates must have been with KWPP for six months or more. Grants requests are reviewed by the ALC and will remain confidential.
